Telephone Number : 01384 816781

Date: 30<sup>th</sup> June 2017

Dear Parents/Carers,

From September 2017, there will be a slight alteration in how Little Colliers provide breakfast, snack, lunch and tea.

Parents who pay for their child to attend Little Colliers Nursery will continue to receive these meals inclusive of their current nursery bill and no changes will be made regarding meal charges.

Children who attend Little Colliers using either the time for two's funding or three/four year old funding and wish for their child to access meals will now incur the following charge:

- Breakfast: £1 per day. A selection of breakfast cereals and toast is offer with milk and water
- Lunch: £3 per day. A hot nutritious meal, provided from Colley Lane Primary Academy. A detailed menu is on display
- Tea: £1 per day. A selection of hot and cold food. A detailed menu is on display
- Snack: We are asking all parents/carers for a voluntary contribution of £1 per week to put towards the cost of fruit.

We have had to take the steps detailed above due to funding not covering the cost of food provided. All food charges will be invoiced 1 month in advance.

If you have any questions regarding the charge of meals, please don't hesitate to speak to the management team.

Thank You

Donna Hurdman

Little Colliers Acting Manager
